## RE-POL®

### POLYESTER POLYOLS – Cast Urethanes

For the manufacture of high quality cast elastomers with excellent physical characteristics

Grade	Viscosity	Acid Value (mg KOH/g)	Hydroxyl Value (mg KOH/g)	Equivalent Weight	Application
RE-POL 216	1200cSt @ 60°C	0.6	56	1000	Flexible elastomers
<b>Liquid at room temperature polyester polyol for the manufacture of polyurethane elastomers with high mechanical properties</b>					
RE-POL 470	920cSt @ 60°C	0.6	56	1000	Cast elastomers
<b>Soft, waxy, 2000mW polyester polyol for the manufacture of polyurethane elastomers with high mechanical properties</b>					
RE-POL 620/01	1580cSt @ 60°C	1.0	72	780	Printing rollers
<b>Liquid at room temperature, for use in soft printing rollers 15-45 Shore A</b>					
RE-POL 98028	1500cP @ 25°C	0.5	145	390	Cast elastomers
<b>Low viscosity, lightly branched polyester polyol for use in polyurethane elastomers</b>					

❖ These are typical properties and should not be used for establishing specifications

• For individual data sheets or information on other available grades, please contact our Customer Service [customerservice@townsendchem.com.au](mailto:customerservice@townsendchem.com.au)

Except as provided above, all expressed and applied warranties, guarantees and conditions said to arise in respect of information supplied by Townsend Chemicals Pty.Ltd. or otherwise under statute or general law as to merchantability, description, quality, suitability or fitness of the goods for any purpose or as to design, assembly, installation, materials or workmanship or otherwise are hereby expressly excluded and Townsend Chemicals Pty.Ltd shall not be liable for physical or financial injury, loss or damage or for consequential loss or damage of any kind arising out of the supply, preparation, production, installation, performance or operation of the goods or arising out of Townsend Chemicals Pty.Ltd.'s negligence or in any way whatsoever. The liability of Townsend Chemicals Pty.Ltd. for a breach of a condition or warranty implied by Div.2 of Pt. V of the trade practices Act 1974 is not excluded or restricted but is (other than S 69) hereby limited to: (a) the replacement of the goods or the supply of equivalent goods.(b) the repair of goods. (c) the payment of the cost of replacing the goods or of acquiring equivalent goods. (d) the payment of the cost of having the goods repaired. Freedom from patent rights must not be assumed.
